Mr. Howland Wood
New York N.Y.

Dear Sir

I have for sale a
collection of Masonic Chapter Pennies
as follows:-

American Series, about 243
varieties, representing 44 States

Canadian Series, about 125
pennies, showing 108 varieties,
from every province in Canada
some obsolete and rare.

I am open for a bid for
either or both lots, will sell
the American Series cheap,
kindly advise me and oblige

Yours truly

H. L. Doane

Dear Sir:

Since the death of Mr. Poillon, we have been out of touch with collectors of Masonic pieces, and at the moment I know of no one collecting Chapter pennies. From what I can learn, the enthusiasm of some years ago concerning these has largely died out. If I hear of anyone, I shall be glad to acquaint them with your collection.

Very truly yours,

Curator
